# Welcome Aboard

Welcome aboard the 30th year of Community Transit service!

In 1976 the Freedom Train was touring the country to celebrate the Bicentennial, C.W. McCall had a hit song with "Convoy," and bellbottoms were a fashion staple in every disco lady's wardrobe.

1976 was also the year a local convoy got rolling as Community Transit, known then as the Snohomish County Public Transportation Benefit Area Corporation, made its debut in seven local communities.

With 18 leased buses, Community Transit began serving seven routes in the county. That first year, the agency provided 951,200 rides. As one long-time driver recalls, we didn't have specific stops on routes back then. Drivers had to keep a sharp eye out for riders, who would flag down a passing bus.

Three decades later, Community Transit has 299 coaches that provide service throughout Snohomish County, the University of Washington, Seattle and the Eastside. Our 63 local and commuter routes served more than 8.6 million riders last year. And our riders don't have to flag us down as we now serve approximately 1,600 bus stops, including 19 park & ride lots with more than 5,500 parking stalls.

In addition to regular bus service, Community Transit also operates 54 Dial-A-Ride-Transportation (DART) paratransit minibuses and maintains a vanpool fleet of 282 vans, one of the largest in the nation. Another way we keep the county moving is through our Van GO program which has granted 46 vans and 16 minibuses from our surplus fleet to local nonprofit groups. These retired vehicles, which are well maintained and still have plenty of life in them, continue to transport children, seniors and special needs residents through other agencies.

Like the county we serve, Community Transit has grown in the past 30 years, and this year we will celebrate our achievements. Throughout the year there will be activities and events that mark our 30th year of service. Keep an eye out for more details, or visit our Web site at [www.communitytransit.org](http://www.communitytransit.org) for the latest information.

Meanwhile, we are as excited as ever to serve you and hope you continue to ride Community Transit for the next 30 years!

Smile & ride!

Joyce Olson, CEO

- D** Timepoints are major bus stops along the path of a route. The bus is scheduled to depart from that location at the time specified in the timetable. However, traffic, construction detours, weather and other conditions may cause delays. Between each scheduled departure there are additional designated bus stops where you may board the bus. If you plan to board between timepoints, estimate the arrival time based on the timepoint prior to your stop.

Below each timepoint location you will see a listing of the times that the bus will leave that stop. By reading the timetable from left to right, you can follow the movement of the bus as it travels along its route. In this example if you board this route at Mariner Park & Ride at 7:45am you will arrive at Bothell Park & Ride at 8:25am.

- E** Timepoints are numbered and shown on the route map to assist you in locating the stop.
- F** When you see (\*) in the timetable please note that no service is provided to that stop on that particular trip. In the example shown, Route 105/106 doesn't serve Mariner and McCollum Park & Rides or Hwy 527 & 153rd on the third trip of the day.
- G** Letters in the timetable (D) indicate a footnote providing further information.
- H** Afternoon and evening trips (PM) are shaded.

# Fares

## Fares

	<b>Adult</b> <b>19-64</b>	<b>Youth</b> <b>6-18</b>	<b>Sr./Disabled</b> <b>65+</b>
Local	\$1.25	75¢	50¢
Commuter	\$3.00	\$2.25	\$1.50
North/East Commuter*	\$3.75	\$3.00	\$1.75
DART Paratransit	\$1.25	\$1.25	\$1.25

Local fares apply on all trips within Snohomish County only. Commuter fares apply on trips traveling between Snohomish and King Counties.

\* Routes 421, 422, 424, 425, 821

## Youth

Up to two children age 5 and under can ride free when a person responsible for them pays either a full or reduced fare.

Youth from age 6 through 18 qualify for the youth fare. High school students may be asked to show identification.

## Senior/Disabled Fare

People age 65 and older and persons with disabilities are eligible to purchase a Regional Reduced Fare Permit. The permit entitles you to ride the regular route buses throughout the Puget Sound region at a discounted fare. One personal care attendant, when traveling with an eligible disabled customer, is entitled to ride at no charge. The permit is also valid on the Washington State Ferries. The permit is **REQUIRED ON MOST TRANSIT SYSTEMS IN ORDER TO QUALIFY FOR A REDUCED FARE.**

If you board a Community Transit regular route bus without the permit, you may be asked to show ID such as a driver's license, Medicare card or ADA paratransit card to indicate you are a senior or person with a disability.

The Regional Reduced Fare Permit is available for \$3 from any area transit agency and has no expiration date unless issued to a person with a temporary disability. Locally, the permit can be purchased at the Community Transit RideStore or Everett Station. For more information or to receive an application, call the RideStore at (425) 348-2350, (800) 562-1375 or TDD (425) 778-2188.

## Ticket Books

Community Transit ticket books don't provide a discount for frequent riders, but tickets are more convenient than cash. Ticket books don't expire, and each book contains 20 tickets. Community Transit tickets are accepted on Everett Transit and ST Regional Express buses that travel to or from Snohomish County. King County Metro does not accept Community Transit tickets. See chart on page 7.

## Transfers

Ask for a transfer when you pay your fare or when you pay cash to upgrade your pass. The transfer is good for two hours after you get off the bus on which you received the transfer. Only one transfer will be issued per fare.

When you board the next bus, show the Coach Operator your transfer, but do not put it in the farebox.

If you board any Community Transit bus with another agency's transfer, it is worth one local fare. For example, if someone paying a regular adult fare on Everett Transit boards a south county Community Transit commuter route with a transfer, it is worth \$1.25 toward an adult fare. Because the adult south county commuter fare is \$3, the customer would pay an additional \$1.75.

If you are transferring to Everett Transit, King County Metro, Pierce Transit or Sound Transit, your Community Transit transfer will allow you to travel within their local fare or one-zone fare area at no additional cost. Travel out of the local or one-zone area will require an additional fare.

# Passes

## PugetPass

If you make a roundtrip each weekday or ride frequently, you should consider the convenience and money-savings of a PugetPass. PugetPasses are accepted on all Community Transit, Everett Transit, King County Metro, Pierce Transit, ST Express buses and Sounder trains. There are also "Ship to Shore" PugetPasses to cover walk-on fare for designated ferries and face value toward your bus fare. See chart below.

PugetPass is a monthly pass available in a variety of fare values. When purchasing a PugetPass, select a pass value based on the fare of your most common bus trip. If an occasional trip costs more than the value of your pass, simply pay the difference in cash. For example, if you have a PugetPass with a value of \$1.25 for travel on Community Transit local buses, you can ride a ST Express bus with a \$2.50 fare by showing your pass and paying \$1.25 cash.

### PugetPass & Ticket Costs

## EdPass, U-PASS

The EdPass, offered through Edmonds Community College, is valid on all Community Transit local routes and counts towards \$1.25 of the fare on Community Transit commuter buses. The EdPass is not valid on King County Metro, Sound Transit or Everett Transit.

The U-PASS, offered through the University of Washington at both the Seattle and Bothell campuses, is good on all Community Transit local and commuter routes. It is also good on King County Metro and Sound Transit, but is not valid on Everett Transit.

## Edmonds Youth Pass

The Edmonds School District has contracted with Community Transit to provide bus passes for eligible high school students in place of student transportation. These passes are valid on Community Transit buses only.

## FlexPass

The FlexPass is offered by some large employers to encourage transit use. **A FlexPass is only valid on Community Transit buses if it has a Community Transit logo.** For more information, check with your employer's transportation coordinator or call our Employer Outreach, (425) 348-7193.

## Who takes my pass?

This chart indicates which passes are accepted at face value as fare payment on various transit systems. Additional fare may be necessary.

Pass	Community Transit	DART	Everett Transit	King County Metro	Sound Transit
PugetPass	yes	yes	yes	yes	yes
U-PASS	yes	yes	no	yes	yes
EdPass	yes	yes	no	no	no
FlexPass	maybe**	no	no	yes	yes
Edmonds Youth	yes	no	no	no	no
CT Ticket	yes	yes	yes	no	yes*

\*Not good on Sounder or ST Express buses operated by Metro or Pierce Transit.

\*\*Look for agency logo on pass.

Please note that Community Transit free ride tickets are accepted only by Community Transit for fixed route service and often have other limitations as well.

# How To Ride Guide

---

## Catch a Ride

- What route do you take? Refer to the “Service by Community” list on page 18, the “Park & Rides” list on page 20 or visit the on-line trip planner at [www.communitytransit.org](http://www.communitytransit.org). You can also call Customer Information at (425) 353-RIDE or (800) 562-1375.
- Study the route map in the Bus Plus book to determine where you’d like to catch the bus. The numbered timepoints on the map correspond to the route schedule, but there are more stops along each route. On local streets, stops are located approximately every 1/4 mile. Each stop is marked by a bus stop sign and the route numbers that serve it. All stops also have route schedules posted.
- Plan to be at the bus stop at least five minutes before your bus is expected to depart. Unless your stop is a designated timepoint listed on the schedule, the bus may arrive and depart early.

## All Aboard

- When a bus approaches your stop, check the route number on the front and side. As a courtesy, give the Coach Operator a wave if you want that bus to stop, or shake your head “no” if you are waiting for a different route.
- Be sure you are visible as the bus approaches. If you are sitting in a shelter, please move into view of the Coach Operator. In the dark or in bad weather, wear light-colored clothing and carry a light or something reflective to flag down the bus.
- Once a bus has pulled out of the bus zone, passengers can no longer board. For safety reasons, even if a bus is stopped, passengers can only board or deboard at designated bus zones.
- Have exact change ready to drop in the fare box. Coach Operators do not carry change. Please see pages 4-9 for pass and ticket information. Bus passes and tickets are a convenient way to pay your fare.
- When taking a bus from Seattle, pay your fare when you exit the bus, unless you are boarding after 7pm, then pay when you board.
- If riding more than one bus, ask for a transfer when you pay a cash fare. Find out more about transfers on page 5.
- If there are no seats available when you board the bus, hold on to the railing or seat backs.
- Please give front seats to seniors, pregnant and disabled passengers.
- Bicyclists, please see page 14.
- Wheelchair users, please see page 16.

## Enjoy the Ride

- Always stand behind the line at the front of the bus and stay clear of the doorways and aisle.

# How To Ride Guide

---

- Keep your belongings clear of the aisle and other seats. Please, no feet on seats and no littering.
- Children must be removed from strollers and the stroller collapsed and stored out of the way.
- Never put your arms or head outside a window.
- State law prohibits smoking, eating or drinking while on the bus. Food and beverages may be brought on board only if they are in spillproof containers. Alcohol is not allowed.
- Listen to music using headphones only.
- Please limit cell phone use so as not to disturb other passengers.
- Shirts and shoes must be worn on buses.
- If you have questions while you are on the bus, the Coach Operator will gladly help. If possible, try not to distract the Coach Operator while the bus is in motion.
- See page 12 for more on bus conduct policies.

## Making Your Exit

- When you are a block away from your destination, signal your stop by pulling the yellow bell cord or pressing the yellow bell tape once.
- Before you exit the bus, make sure you've left nothing behind.
- Exit via the rear door when possible, unless you are traveling with your bike or paying your fare on a commuter bus from Downtown Seattle.
- Never cross the street in front of a bus. Always wait until the bus leaves before crossing.

## Rider Tips

- Many route schedules are designed to connect with each other to make transferring easy. However, because routes run at varying frequencies, some trips match up better than others. If you are looking for a good connection between bus routes, try several different trip times.
- You can use commuter buses to travel within Snohomish County, not just to King County. When doing so, only a local fare is required.
- If you want to travel to or from King County at "off-peak" times (such as late morning or at night) check out Route 414 for Downtown Seattle service, and Route 810 for University District service. ST Express buses also run throughout the day and into the night.

## Travel Training Program

Community Transit offers a free Travel Training program for senior citizens, people with disabilities, and non-English speaking persons who may feel unsure about riding the bus. The training is customized to meet each person's needs, whether the individual desires general bus riding orientation or in-depth, one-on-one training. Group presentations are also available. Please call (425) 348-2379 for more information.

## Passenger Conduct

- Non-collapsible baby strollers are prohibited unless they are King County Metro-approved mobility aids.
- Children capable of sitting on their own must sit on a seat and not on an adult's lap.
- Personal carts are allowed only if they will fit between the seats, do not have sharp edges, and you are able to negotiate the cart without help.
- Fishing poles must be disassembled and secured.
- Rollerskates or rollerblades cannot be worn on the bus.
- Any article with an offensive odor or of a spillable nature must be contained.
- Fighting, throwing things, pushing, shouting, rough or loud behavior and vulgar language are forbidden.
- No firearms, weapons, flammable materials or fireworks of any type are allowed.
- No hazardous chemicals or materials, including car batteries or battery-powered scooters, are allowed.

Bus conduct is regulated by state law (RCW 9A.36.031), and violations may be punishable by up to 90 days in jail and a \$1,000 fine. A person is guilty of third degree assault if they assault a Coach Operator or other transit employee.

Anyone who intentionally destroys or defaces Community Transit property will be prosecuted to the fullest extent of the law.

## Animals on Buses

Service or guide animals necessary for travel by passengers with disabilities are allowed on all Community Transit buses. Service animals assisting disabled people do not require muzzles or head collars. However all animals must be on a leash or in a harness.

Non-service animals are not allowed on commuter service. Pets and non-service animals are allowed on local buses and owners must comply with the following rules:

- Animals such as reptiles, birds, fish, cats and rodents must be in a confined carrying container and held by the customer.
- Larger pets, such as dogs, must be on a leash and have a muzzle that covers the mouth and is secured behind the head. Owners must have complete control of the animal at all times.
- Animals cannot at any time wander or annoy other passengers.

## Safety & Security

Community Transit contracts with the Snohomish County Sheriff's Office to provide safety and security for our buses and park & rides.

Passengers are also an important part of our security system. Keep safe by locking your car, leaving valuables at home or taking them with you and being aware of your surroundings.

If you notice someone or something suspicious – such as someone looking into parked cars or an unattended package – please notify your Coach Operator or call 911 immediately.

All buses have two-way radios and alarm systems to notify our dispatchers if there is a problem or need for assistance. We also have security cameras on board buses and at some park & rides.

Please report all crimes on Community Transit property to assist us in identifying and reducing problem activity.

## Snow & Severe Weather

- The Community Transit Web site will be updated every few hours with weather related changes and major delays caused by severe weather.
- Listen to the radio or watch TV news. Community Transit provides information about our weather related changes to local TV and radio stations.
- Call Customer Information at (425) 353-RIDE, (800) 562-1375 or TDD (425) 778-2188 to check on route variations. On severe weather days, customer service personnel may be available to answer your questions outside regular hours of operation.
- Be aware that bus routes may be changed or shortened. Some routes may be cancelled depending on safety considerations, weather severity and law enforcement directives.
- During icy conditions, a bus will not stop on a hill. Make sure you wait for the bus on level ground and wait until it stops completely before approaching it.
- Make sure you are visible to the Coach Operator. Carry a flashlight or something reflective to use for flagging the bus and wear light or bright outerwear.

## Bikes on Buses

Each Community Transit bus is equipped to hold at least two bicycles. Bike racks are available on a "first come, first served" basis. Some routes have heavy bike use, so be prepared to wait for the next bus, lock your bike near the stop or ride to your destination. Folded bikes are allowed on board providing the bike does not occupy the aisle or take up space needed by the other riders.

Bicycles may be loaded or unloaded at any bus zone except in the Ride Free Area of Downtown Seattle between 6am and 7pm. During those hours, loading and unloading bikes is restricted to a route's first and last stop in the Ride Free Area. See the Downtown Seattle maps in the Commuter Bus Plus Book.

- If there are no other bikes on board the bus, load your bike into the front slots of the bike rack.
- Exit from the front door and remind the Coach Operator that you will be getting your bike. Please fold up the bike rack as you leave if there are no other bikes.
- Please walk your bicycle in high pedestrian traffic areas such as the Lynnwood Transit Center and Everett Station.
- Bikes left on buses are held at the Community Transit RideStore for three days. Call the RideStore at (425) 348-2350.

The brochure "Bikes on Buses" is available on board buses or through the mail by calling the RideStore.

For information on bringing bikes aboard Sounder trains, see Commuter Bus Plus Book page 96.

## Bike Racks & Lockers

If you prefer to leave your bicycle at a park & ride, Community Transit has two options. Bike racks are available at several park & rides. Bike lockers are a safe, weatherproof way to store your bike while you complete your trip on a bus, carpool or vanpool. For a key and unlimited use of the locker, the only cost to you is a \$50 refundable deposit. Call the bike locker coordinator at (425) 348-2355 for more information. See pages 20 and 21 for park & rides with bike facilities.

## Citizens' Advisory Committee

The Citizens' Advisory Committee (CAC) is a group of bus riders appointed by the Community Transit board. The group's purpose is to provide a monthly forum for customer comments and to provide rider input and perspective on Community Transit services.

Each month Community Transit staff report to the CAC on activities such as service planning, marketing promotions, park & ride projects, bus replacements and technology improvements.

The CAC meets at 7:30pm the third Wednesday of the month at locations throughout Community Transit's service area. More information is available on buses each month, on the Community Transit Web site [www.communitytransit.org](http://www.communitytransit.org), or by calling (425) 348-7130.

## Holiday Schedule

Community Transit local buses, DART paratransit and ST Express buses operate on Sunday schedules for the following holidays: Memorial Day (May 29), Independence Day (July 4) and Labor Day (Sept. 4).

Community Transit commuter service to Boeing, Downtown Seattle, the University District and Redmond is discontinued on those major holidays and the Customer Information line and RideStore are closed. Sounder trains do not operate.

On President's Day, Feb. 20, there will be significant trip reductions on Community Transit commuter service to and from Downtown Seattle. Cancelled trips are indicated in the route timetable with an "H" in the first column. Note that only the first timepoint is marked, but the entire trip is cancelled. Local, Boeing, University District and ST Express service operate on the regular weekday schedules on Feb. 20.

## Accessibility

Every Community Transit bus is equipped with a wheelchair lift or ramp. Coach Operators are trained to assist people with disabilities in boarding and securing their wheelchairs on the bus. Most buses also have a kneeling feature to make stepping on board easier.

By federal law, Coach Operators announce major transfer points, intersections and destination points along each route. They also identify their bus route when stopping at zones that serve more than one route.

Dial-A-Ride Transportation (DART) provides transportation for people whose disability prevents them from using Community Transit regular route buses. For further information on DART, operated by Senior Services of Snohomish County, visit [www.dialaride.org](http://www.dialaride.org). To determine if you are eligible for DART service, please request an application packet by calling DART at (425) 347-5912, (800) 562-1381 or TDD (425) 347-7997.

## Wheelchairs

Community Transit and DART strive to serve anyone in a wheelchair or scooter who can safely board and ride our buses. However, federal law states public buses with lifts or ramps are required to serve only mobility aids that meet the following standards:

- Have three or four wheels.
- Are not more than 30 inches in width and 48 inches in length, including footrests and backpacks.
- Do not weigh more than 600 pounds when occupied.

For your safety, Coach Operators use front and rear tie-downs to secure wheelchairs when available and feasible. You may be asked to leave the bus if you refuse to be secured.

Segways and other two-wheeled aids that cannot be collapsed by the customer and stored between the seats are not allowed on Community Transit or DART buses.

For more information on traveling with a mobility aid, please go to our Web site, [www.communitytransit.org](http://www.communitytransit.org) or call (425) 348-2350 to have information mailed to you.

## Lost & Found

If you lose an item on the bus, call the Community Transit RideStore at (425) 348-2350. Wallets, purses and medications are always given special consideration for quick return to the owner. All other lost & found items can be picked up the next business day after 11:30am. Bicycles may be held for only three days due to space constraints. Please call before you come to make sure we've found your lost item. The RideStore is located at the Lynnwood Transit Center, 20110 - 46th Ave W, Lynnwood.

For items lost on Sounder, call (888) 889-6368, select the "Sounder" option then select "Lost & Found." Items lost at Everett Station will be held at the Station's Customer Service Center.

Community Transit is not responsible for lost or stolen items. However, when possible, lost & found items are kept for up to 30 days. Perishable items such as food or beverages will be disposed of.

## For the Latest Information

Community Transit Bus Plus books are as accurate as possible at the time they are printed. Occasionally, the latest route schedule or map adjustments are not reflected in Bus Plus. For the most up-to-date information, visit [www.communitytransit.org](http://www.communitytransit.org). Rider alerts are also distributed monthly on-board buses in the "Important News" flyer.

# Rideshare Services

---

## **Ridematch** - [www.rideshareonline.com](http://www.rideshareonline.com)

Thousands of people like you have decided that sharing the ride makes sense! Our free, regional RIDEMATCH system will match your commute information with people who live near you and have similar schedules and destinations. When you submit an application or call us, a list of others wanting to share the ride will be sent to you via mail, fax or e-mail. We'll also include a map showing general locations of potential rideshare partners and information about appropriate vanpools. In addition to adding your name to our regional database of over 12,000 commuters, you'll have access to our interactive Internet service. Although your name and contact information will be provided to other participants, your address always remains confidential. Send in the following application or call us toll free at (888) 814-1300. You can also sign up online at [www.rideshareonline.com](http://www.rideshareonline.com).

## **Vanpools**

A vanpool is a group of 5-15 commuters who ride to work together in a van provided by Community Transit. Vanpools generally follow a set schedule and route, but unlike a bus, these are set by the riders themselves. Fares are based on the size of the van and the daily round-trip mileage. Fares cover all gas, maintenance, insurance and even vehicle washing.

Community Transit vanpools must begin or end in Snohomish County. Vanpool Coordinators provide support for group formation, driver orientation, vehicle maintenance and rider recruitment. Call (425) 348-7194 for more information.

## **Employer Outreach**

Community Transit's Employer Outreach staff helps individual employers develop programs that meet specific trip reduction needs as required by the Washington State Commute Trip Reduction Law. Alternative work schedules, parking management, vanpooling and carpooling are just some of the available options.

Employers affected by the Commute Trip Reduction Law may benefit from the Employee Transportation Coordinator training workshops offered by Community Transit. All transportation consulting services are provided free of charge. For more information about our rideshare programs or Employer Outreach services, call (425) 348-2304, (800) 562-1375 or TDD (206) 778-2188.

Please see page 31 for information.

## Downtown Seattle Ride Free Area

You can ride free on any Community Transit, Metro or Sound Transit bus within Downtown Seattle's Ride Free Area between 6am and 7pm. Do not pay when you board in the Ride Free Area between 6am and 7pm. Note that Community Transit and Sound Transit buses destined to Downtown Seattle stop to drop-off passengers only. If stopped to drop off riders, Ride Free Area passengers may board. If you are travelling to Snohomish County, pay when you get off the bus.

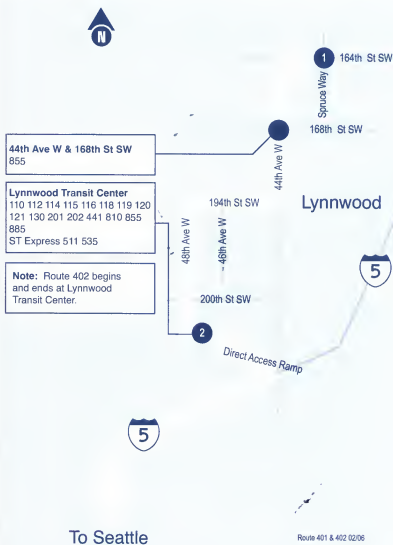

The Ride Free Area extends from Battery St on the north to S Jackson St on the south and from the waterfront east to 6th Ave (including 7th & Stewart) and I-5. The waterfront streetcar is not included.

Between 6am and 7pm bikes may only be loaded or unloaded at a route's first or last stop on or near the Ride Free Area boundaries.

# Sound Transit Information

## Sound Transit Regional Partners

ST Express regional bus routes are operated by Sound Transit's regional transit partners.

Community Transit operates routes:

510, 511, 513, 530, 532 and 535

King County Metro operates routes:

522, 540, 545, 550, 554, 555, 560, 564 and 565

Pierce Transit operates routes:

574, 582, 585, 586, 590, 591, 592, 594 and 595

## Sound Transit Fares

Sound Transit operates on a three-zone fare system. The cost of riding is based on how many zones you travel through. Zones include Snohomish County; Seattle and North King County; Eastside; South King County; and Pierce County.

### ST Express bus fares

Zones	Adult	Youth	Senior/Disabled*
One-Zone	\$1.50	\$1.00	\$0.50
Two-Zones	\$2.50	\$1.75	\$1.25
Three-Zones	\$3.00	\$2.50	\$1.50

### Sounder commuter rail fares

Zones	Adult	Youth	Senior/Disabled*
One-Zone	\$2.00	\$1.50	\$1.00
Two-Zones	\$3.00	\$2.25	\$1.50
Three-Zones	\$4.00	\$3.00	\$2.00

The cost of traveling from Everett or Edmonds to Seattle is a two-zone fare. An Everett to Edmonds or Lynnwood trip is a one-zone fare. If a rider travels from Everett to Tacoma, the maximum fare is a three-zone fare.

## Fare Types

Children age 5 and under ride free with a fare paying passenger.

Youth 6-18

Adult 19-64

Senior\* 65 or older

Disabled\* with qualifying disability

\*requires a Regional Reduced Fare Permit see page 4

## Fare Payment

### Passes

PugetPass, Go Pass, and FlexPass are honored for face value toward any fare on Sound Transit services. If the face value of your PugetPass or other honored pass is less than the actual fare, you must pay the difference. On local bus and ST Express, pay at the farebox. On Sounder, a pass upgrade ticket must be purchased from the ticket vending machine located at the Sounder station, prior to boarding the train. The Microsoft FlexPass and the U-PASS are valid for full fare on ST Express and on Sounder.

If you are not using a pass such as PugetPass for your full Sounder fare, you must purchase a ticket, an upgrade for your pass or an upgrade for your bus transfer at a ticket vending machine on the Sounder station platform. Machines accept cash, debit, VISA or MasterCard.

Passengers on board the Sounder train without a valid ticket or PugetPass are subject to a citation and fine.

### Tickets

Tickets from Community Transit, Everett Transit, King County Metro or Pierce Transit are valid only on the ST Express routes these agencies operate. Bus tickets are not valid on Sounder commuter rail.

Community Transit and Everett Transit tickets are valid only on ST Express routes operated by Community Transit. (Routes 510, 511, 513, 530, 532 and 535). Community Transit free ride tickets are not valid on Sound Transit.

### Using Partner Agency Transfers on ST Express

Valid transfers from Community Transit, Everett Transit, King County Metro or Pierce Transit are accepted on ST Express as a one-zone ST Express fare (valued at Adult \$1.50, Youth \$1.00, Senior/Disabled 50¢).

### Using ST Express Transfers on Partner Agency Service

Valid transfers from ST Express are accepted on partner systems for local or one-zone fare.

## Sounder Commuter Rail

Sound Transit's commuter rail service in Snohomish County operates two roundtrips each weekday in the peak direction between Everett, Edmonds and Downtown Seattle.

Train amenities include worktables and computer plug-ins, fully accessible trains and restrooms and room for at least two bicycles in each car. Bicyclists should board at the doors marked with a bike symbol.

Both the Everett and Edmonds stations have extensive bus service and free commuter parking is available nearby. For Sounder fares, see page 94.

### Everett Station

3201 Smith Ave

### Edmonds Station

211 Railroad Ave

### King Street Station

301 S Jackson St, Seattle

## Amtrak RailPlus

Sound Transit and Amtrak Cascades have teamed up to offer more travel times and commute options for your weekday trips. PugetPass, U-PASS and FlexPass are accepted on board select Amtrak trains. The PugetPass that you use on Amtrak must be equal to the full-fare price of the Sounder trip.

Although accepted on Sounder trains, no pass upgrades, day passes or single-trip tickets will be accepted on Amtrak. Amtrak tickets are not valid on weekend Sounder event service trains. Use any valid Amtrak ticket on Sounder to travel between Everett, Edmonds and Seattle.

## Using Sounder Tickets and Upgrades on Buses

A Sounder single-trip ticket or fare upgrade is valid for face value on ST Express bus services. A Sounder single-trip ticket or fare upgrade is valid for a one-zone fare on King County Metro and a local fare on Community Transit, Everett Transit or Pierce Transit. The ticket must be used prior to the expiration time on the ticket.

## Using Bus Transfers on Sounder

Bus riders who pay cash or use a bus ticket may obtain a paper transfer from the bus driver to use toward Sounder fare. An ST Express transfer is valid for the fare paid on ST Express.

Valid bus transfers from Community Transit, Everett Transit, King County Metro or Pierce Transit are valid as a one zone bus fare toward a Sounder trip:  
Adult \$1.50, Youth \$1.00, Senior/Disabled 50¢.

# OXY GENE

in the fight  
for truth, justice  
and really clean air!

Community Transit mascot Oxy Gene can be seen year-round at schools, parades, fairs and events around the Puget Sound region. Oxy loves to educate kids and adults about ways to keep our air clean and the benefits of public transportation.

To find out where he'll be landing next, visit Oxy Gene at [www.communitytransit.org](http://www.communitytransit.org). His page is under "Special Programs."
